### **BEGINNER AND PUPPY CLASS INFORMATION**

Beginner and puppy obedience classes will be held at the Dayton Dog Training Club building, 3040 East River Road Moraine, Ohio, on Monday, Tuesday and Wednesday nights. Please check our website for exact days and times of the class(es) you are interested in. The fee for the eight week training session is \$70, and classes are held once a week. Please be sure to indicate which night best suits your needs. If you do not have a preferred night your flexibility will help us balance class size. We will call you if your preferred night is full. You should plan to arrive 30 minutes before the start of your class, on the first night, to finish any necessary paper work and to receive your ring assignment.

We recommend that you wear comfortable clothing and flat shoes. **DO NOT FEED** your dog after 12 noon the day of class. The dogs will then be more attentive and less likely to have an accident during class time. There should be only one person training the dog during class, and 12 is the minimum acceptable age for a trainer. Please bring treats such as cut-up hot dogs or semi-soft food/treats.

Registrations are handled on a first come basis. To ensure your place in class on your preferred night please register early. Your registration must be returned to the registrar at least **one week** before the scheduled start of the class to ensure your enrollment. After this date you may be placed on a waiting list. No class assignment will be made without receipt of a registration package by the registrar. If the registration package is not received by this date you may lose a place in class if there is a waiting list. Confirmation of class assignments will be sent to those people who have completed the sign-up procedure. Refunds will be made through the first night of class. Refunds requested after the first night will be made only with DDTC board approval.

To register for classes mail your \$70 fee, a signed release form (included) and a copy of your dog's dated shot records. The records should clearly show currency of rabies, parvo and combination (i.e. DHLPP) immunization shots. Original shot records will be returned at the registration desk the first night of class.

Please make checks payable to DAYTON DOG TRAINING CLUB, INC.

**BEGINNERS:** The equipment needed for BEGINNERS is a four foot leather or nylon leash and a collar. We sell these at a reasonable price at the training building. All trainers are to provide their own leash and collar. Dogs entering BEGINNERS classes should be 6 months old or older.

**PUPPY:** For PUPPY class, the equipment needed is a four foot leash and a buckle or rolled collar made either of leather or nylon. All trainers are to provide their own leash and collar. Puppy classes are for dogs between 3 months and 6 months old. Puppies **MUST** have their first three sets of shots before the first class, or they will not be allowed to participate.

**ATTENTION AND BEGINNING OBEDIENCE COMPETITION:** These classes are for people who want to continue obedience training with their dogs after having completed our puppy or beginners classes. Your instructor will refer you to the class that he/she feels is appropriate for you and your dog. If you have taken a puppy or beginners class somewhere else and are now wishing to train with us, we can conduct an evaluation to see what class in our program would best benefit you and your dog.
