1. Attend at least 6 out of 8 Obedience, Rally, Agility and/or Tracking training classes for at least 3 training sessions within one year from the my application date. During this period, if I earn an Obedience, Rally, Agility, and/or Tracking degree, I will immediately meet membership requirements.
2. Attend at least two General Membership meetings, which are held quarterly.
3. Volunteer and work at least two club functions.
4. Keep track of the above on the Documentation of Training and Service Form and, upon completion, submit that completed form along with my Application for Full Membership.

I understand this is a nonprofit organization, fully managed by Club members using the democratic process and on a volunteer basis. As a member it will be my duty to share the responsibility and workload of the Club, contributions that are vital for successful club operation. While I work towards the goal of full membership within the next year, I understand that I will be able to take classes at a reduced rate.

I have read and understand the above. I agree to make every effort to meet the requirements and participate in Club activities in any way I can to better the welfare of the Club.
