

Agility Run Through  
Sunday November 19th

We are having an agility run through next Sunday the 19th. It will be small to tall with times as follows:

Doors open at 12:45 to allow for set up of crates, walking the course and assist with course set up if needed

First dog on the line - 1:30 Will run 12"-8"-4".

Large dogs order will be 16"-20"-24" with first dog on line starting 3:15.

Times may vary depending on how many dogs show up for first group. If you have both a small and large dog, come either time and we will work you in.

Cost \$5.00 for 2 runs. All dogs run 1x then re-run everyone. Each run is 2 minutes.

We have a Masters course with a Novice course nested. Usually Standard course.

You do not have to run a course and can use the time how ever you want. If you have a young dog it needs to have been trained on contacts and can run full height if you are running a full course.

Treats and toys allowed though no treats to be thrown on turf. No cheese or greasy treats.  
We have targets available.

We ask people help with leash running, ring crew, gate, timing, ect.

No dogs allowed in the turf area unless they are getting ready to run.

If you have any additional questions do not hesitate to contact me.

Thank you - Rita
