- Junior handlers serious about learning show protocol are welcome
- **OFFERED MONDAYS AT 6:30PM IN THE LATE SPRING AND FALL SESSIONS**

We also offer Conformation run-throughs on Tuesday nights at 7:45 PM. These are held on a drop-in basis, and the fee is \$5.00 per class for DDTC members and \$10 per class for non-members. Conformation run-through nights follow the same schedule as the Obedience and Rally program.

Please note that all DDTC Scent Work classes begin in week 2 of each session. Scent Work is an activity that allows reactive dogs to participate so dogs in our Scent Work classes will be left in their vehicle or crated when not actively working. Please plan accordingly. Also, please note that students taking each level for the first time will have priority for that class.

LEVEL 1 SCENT WORK

- In this first class your dog will learn foundation scent work skills to eagerly and independently hunt or search for something he or she wants and will learn a basic, default search pattern.
- **A crate or leaving the dog in the vehicle is required for this class. All dogs must be in a crate (and quiet while there) unless actively working or the handler will leave their dog in their vehicle bringing the dog to the search area when it is their turn.**
- You will learn how to help build your dog's drive for scent work and how to support and reward your dog's independent searching and problem-solving.
- Students must have a nonrestrictive harness for their dog by Week 3.
- **OFFERED IN THE WINTER SESSION ON MONDAYS AT 6 PM, IN THE EARLY SPRING SESSION ON TUESDAYS AT 6PM, IN THE SUMMER SESSION ON THURSDAYS AT 6 PM AND IN THE FALL SESSION ON TUESDAYS AT 10 AM**

LEVEL 2 SCENT WORK

- Completion of Level 1 Scent Work is required
- **A crate or leaving the dog in the vehicle is required for this class. All dogs must be in a crate (and quiet while there) unless actively working or the handler will leave their dog in their vehicle bringing the dog to the search area when it is their turn.**
- In this class you and your dog will be introduced to the first odor of this sport, birch.
- Students will be expected to purchase a training kit to be used for practice outside of class that will be explained in the first couple weeks of class. Cost is \$35.
- Various search elements that you will encounter in a trial will also be introduced.
- Your dog will continue to build drive for target odor and searching and will be encouraged to work target odor all the way to source under a variety of circumstances.

- Handlers will begin developing the leash handling skills needed for actual searches and will start learning how to observe the dogs for subtle changes in behavior that may indicate the presence of target odor.
- Towards the end of the session, students will be introduced to the second odor, Anise and expected to purchase an odor jar to be used for practice outside of class. Cost is \$10.
- **OFFERED IN THE WINTER SESSION ON TUESDAYS AT 10 AM, IN THE EARLY SPRING SESSION ON MONDAYS AT 6 PM, IN THE LATE SPRING SESSION ON TUESDAYS AT 6 PM, IN SUMMER SESSION ON WEDNESDAYS AT 6 PM, AND IN THE FALL SESSION ON THURSDAYS AT 6 PM**

LEVEL 3 SCENT WORK

- Completion of Level 2 Scent Work is required
- **A crate or leaving the dog in the vehicle is required for this class. All dogs must be in a crate (and quiet while there) unless actively working or the handler will leave their dog in their vehicle bringing the dog to the search area when it is their turn.**
- In this class dog and handler teams will be continuing to develop their scent work skills
- Building the dog's desire to get to and stay at the target odor source will be emphasized.
- Handlers will learn how to encourage their dogs to commit to the target odor source without creating conflict.
- Dog and handler teams will also start working on more challenging target odor hide placements, including less accessible hides, lower hides, and more elevated hides, similar to what you might encounter at a trial.
- The third odor, clove, will be introduced. Jars of this odor will be available for purchase for \$10 per jar.
- **OFFERED IN THE WINTER SESSION ON THURSDAYS AT 6PM, IN THE EARLY SPRING SESSION ON TUESDAYS AT 10 AM, IN THE LATE SPRING SESSION ON MONDAYS AT 6 PM, IN THE SUMMER SESSION ON TUESDAYS AT 6 PM AND IN THE FALL SESSION ON WEDNESDAYS AT 6 PM**

LEVEL 4 SCENT WORK

- Completion of Level 3 Scent Work is required
- **A crate or leaving the dog in the vehicle is required for this class. All dogs must be in a crate (and quiet while there) unless actively working or the handler will leave their dog in their vehicle bringing the dog to the search area when it is their turn.**
- Dog and handler teams will begin working on some of the more challenging skills needed to be successful at the lower trial levels.
- For the dog, these skills will include “semi-real” searches that are closer to what teams might encounter in a trial, hides paced inside of objects, channeling odor hides, stronger commitment to source behaviors, handler movement distractions, ground or floor level hides, and more.
- For the handler, the added challenges will include “semi-blind” searches (hide locations unknown to handler) and exercises to assist you in reading your dog and understanding his or her behavior,

- The fourth odor, cypress, will be introduced. Jars of this odor will be available for purchase for \$10 per jar.
- Additional handling skills and “cementing” the theory, methodologies and observations acquired during the first three classes will also be included in this class
- **OFFERED IN THE WINTER SESSION ON WEDNESDAYS AT 6 PM. IN THE EARLY SPRING SESSION ON THURSDAYS AT 6 PM, IN THE LATE SPRING SESSION ON TUESDAYS AT 10 AM, IN THE SUMMER SESSION ON MONDAYS AT 6 PM, AND IN THE FALL SESSION ON TUESDAYS AT 6 PM**

LEVEL 5 SCENT WORK

- Completion of Level 4 Scent Work is required.
- **A crate or leaving the dog in the vehicle is required for this class. All dogs must be in a crate (and quiet while there) unless actively working or the handler will leave their dog in their vehicle bringing the dog to the search area when it is their turn.**
- Dog and handler teams will continue working on some of the more challenging skills needed to be successful at the lower trial levels.
- For the dog, these skills will include “semi-real” searches that are closer to what you might encounter in a trial, more difficult containers, ignoring handler movement distractions, stronger commitment to source behaviors, more inaccessible hides, channeling odor hides, pooling odor challenges, and more.
- For the handler, the added challenges will include semi-blind and blind searches (hide location unknown to handler), developing the skill of “reading your dog”, and additional handling skills.
- Learning how to maintain your dog’s motivation as the searches get more challenging, and “cementing” the theory, methodologies and observations acquired during the first four classes will also be discussed.
- **OFFERED IN THE WINTER SESSION ON TUESDAYS AT 6 PM, IN THE EARLY SPRING SESSION ON WEDNESDAYS AT 6 PM, IN THE LATE SPRING SESSION ON THURSDAYS AT 6 PM, IN THE SUMMER SESSION TUESDAYS AT 10 AM AND IN THE FALL SESSION ON MONDAYS AT 6 PM**

ADVANCED SCENT WORK

- This class is for teams dedicated to having higher level skills and that may be planning on trialing in the near future.
- Completion of Level 5 Scent Work is required
- **A crate or leaving the dog in the vehicle is required for this class. All dogs must be in a crate (and quiet while there) unless actively working or the handler will leave their dog in their vehicle bringing the dog to the search area when it is their turn.**
- Dog and handler teams will continue working on more challenging skills needed to be successful at trials.

- These skills will include “semi-real” searches that are closer to what you might encounter in a trial, such as container searches, interior and exterior searches, searching vehicles, buried hides, clearing a room, and multiple hides.
- There will be practice working in lingering odor, inaccessible hides, elevated hides, and other more challenging puzzles
- ORT and hides duplicating trial conditions will be set up
- **OFFERED ON TUESDAYS AT 3:30 AND 6 PM AND ON THURSDAYS AT 6 PM.**

We offer a full Agility program starting from the very beginner to advanced level classes both evenings and during the day time.
