December 12/21/25 maybe a possible option as well. To confirm at later date.

GENERAL INFO: \$5.00 for 2 runs. Each run 2 min. Masters level course with Novice course nested

If you have both a small and large dog, come either time and we will work both dogs in.

We run all heights 1x then go back and re-run same order

Do not have to run full course, can use the set up to meet your dogs needs though dogs should be familiar with all obstacles if you plan to run the course.

Can use treats/toys in ring but not directly on the turf. We have targets.

NO greasy, crumbly treats, no cheese.

Can always use help with ring crew, leash running, gate, ect. Must crate dog if inside, only 2 dogs in the turf area before the dog running the course
